

REMARKS

Claims 36-40, 45-52, and 58-61 remain in the application with claims 1-35, 41-44, 53-57, and 62-70 having been canceled, without prejudice or disclaimer.

Reconsideration is respectfully requested of the objection to the title of the application.

A new title has been proposed that is intended to be more clearly indicative of the invention to which the claims are directed.

Notice is respectfully taken of the allowance of claims 36-40, 45-52, and 58-61.

All rejected claims, as well as those claims that were previously withdrawn from consideration, have been canceled hereby. Therefore, the rejections thereof have been rendered moot.

Because only allowed claims remain in this application, it is respectfully submitted that the present application is now in condition for allowance.

Favorable reconsideration is earnestly solicited.

Respectfully submitted,  
COOPER & DUNHAM LLP
